The annual S'port for Kids gala evening raises funds to promote the physical development, social and emotional well being of disadvantaged youth through organized sports.

Since 1999, the Foundation has helped more than 3,500 youth realize their ambitions through the creation of after-school sports programs for kids at the Yonge Street Mission, Toronto City Mission, Regent Park and through supporting the Toronto Police Association Stay in School Basketball program and Chinese Canadian Basketball team. This year, the Foundation has created a new *S'port for Kids Play Fund* and partnership with the Children's Aid Foundation, to give youth in foster care a chance to play sports of choice and live their dreams. The S'port for Kids Foundation is a registered national charity and supporters receive charitable tax receipts.
