

On July 6, 2004 [Metafore](#) and the [Dufferin-Peel Catholic District School Board](#) will host the 7th Annual Charity Golf Classic. We will return to [Lionhead Golf & Country Club](#) again this year, with all proceeds going to S'port for Kids Foundation.

S'port for Kids Foundation is a registered charity founded with the goal of promoting the beneficial effects of athletics and sport on the healthy development of children. They are often prevented from doing so due to lack of funds for equipment, coaches, even for a safe field, rink, diamond or other environment on which to play. Joining a community sports team becomes even more critical in communities where youth violence and gang membership are on the rise. The Foundation advances their physical, emotional and social development by providing guidance, support and funding for sporting related activities to individuals, families or communities where the need is demonstrated.

Metafore is a leader in the design and integration of today's complex information technology systems. We have been dedicated to designing, implementing, and supporting dynamic solutions that answer our customers' needs for improved access to information, easier ways to conduct their business and generating maximum return on their IT investments. The capability to achieve these objectives is driven by our innovative 360 x 365 solution delivery model. One of Metafore's core objectives is to care for the charities and people who need our help in Communities across Canada.

In its brief history, the Classic has raised well over \$360,000 for local and national charitable foundations and we expect this year's event to build on that success.

Please join us again for this year's event. It goes without saying that we can't do it alone. The success of the Classic depends largely on the generous contributions made by you, our valued strategic partners. It is imperative that you register by May 15 2004 to ensure your participation. Each year we have had limited spaces available and recommend that you [register](#) as soon as possible either on line at www.metafore.ca/theclassic or by faxing your registration to Metafore at 905-362-0489 to the attention of the Classic.

We appreciate your past support and hope we can look to you once again to chip in and make this an outstanding event. As you know, there are a number of ways to contribute.

Hole Sponsors: For \$3,000 your organization will receive a large sign at the hole indicating your sponsorship and recognition in the event program. In our experience, hole sponsorships have provided a dynamic vehicle to market your organization and interact with guests. Past events have seen sponsors hand out promotional items and run contests. The sky's the limit. Hole sponsorships are extremely popular each year and tend to sell out quickly – please confirm your pledges now!

Greens Sponsors: For \$1,000 your organization will receive a small sign on the green indicating your sponsorship and recognition in the event program.

Foursomes: For \$2,000 we invite you and two guests to join a Dufferin-Peel associate to spend the day on the links. A registration form is enclosed.

Cart Sponsor: For \$5000 your company name and logo will appear on all the carts that'll buzz around the course in addition to sponsorship in the event program.

On behalf of Metafore, the Dufferin-Peel Catholic District School Board and S'port For Kids Foundation, we thank you for your support.

Sincerely,
